

DELAWARE RIVER BASIN COMMISSION

Notice of Public Hearing and Business Meeting

Notice is hereby given that the Delaware River Basin Commission will hold a public hearing on **Tuesday, December 3, 2013**. A conference session and business meeting will be held the following day on **Wednesday, December 4, 2013**. The hearing, conference session and business meeting are open to the public and will be held at the Washington Crossing Historic Park Visitor Center, 1112 River Road, Washington Crossing, Pennsylvania.

Public Hearing. The public hearing on **December 3, 2013** will begin at **1:30 p.m.** Hearing items will include draft dockets and resolutions for projects subject to the Commission's review. The list of projects scheduled for hearing, including project descriptions, is currently available in a long form of this notice posted on the Commission's web site, **www.drbc.net**. Draft dockets scheduled for hearing are posted on the website approximately ten days prior to the hearing date. Written comments on draft dockets and resolutions scheduled for hearing on December 3 will be accepted through the close of the hearing that day. After the hearing on all scheduled matters has been completed, there will be an opportunity for public dialogue. Because hearings on particular projects may be postponed to allow additional time for the commission's review, interested parties are advised to check the web site periodically prior to the hearing date. Any postponements will be duly noted there.

Public Meeting. The public meeting on **December 4, 2013** will begin at **12:15 p.m.** and will consist of a conference session followed by a business meeting. The conference session will include presentations by staff on (a) new interactive mapping capability, and (b) the updated PCB criterion formally proposed by

the Commission in August 2013. The business meeting will include the following items: adoption of the Minutes of the Commission's September 12, 2013 business meeting, announcements of upcoming meetings and events, a report on hydrologic conditions, reports by the Executive Director and the Commission's General Counsel, and consideration of any items for which a hearing has been completed or is not required. In addition to those items for which the public hearing is completed on December 3, 2013, the Commissioners may consider action on revised water quality criteria for PCBs and pH, for which public hearings were completed on September 10 and October 24, 2013, respectively.

There will be no opportunity for additional public comments at the December 4 business meeting on hearing items for which the hearing was completed on December 3 or a previous date. Commission consideration on December 4 of items for which the public hearing is closed may result in either approval of the item (docket or resolution) as proposed, approval with changes, denial, or deferral. When the Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may take additional time to consider the input they have already received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date.

Individuals who wish to comment for the record at the public hearing on December 3 or to address the Commissioners informally during the public dialogue portion of the hearing on December 3 are asked to sign up in advance by contacting Ms. Paula Schmitt of the Commission staff, at paula.schmitt@drbc.state.nj.us or by phoning Ms. Schmitt at 609-883-9500 ext. 224.
